

# Supporting the future of the Police Treatment Centres

Leaving a lasting gift as your legacy  
to support injured officers

**The Police Treatment Centres**

A force for promoting and improving health and wellbeing

# A lifeline for your colleagues

The Police Treatment Centres has been dedicated to the health and wellbeing of serving and retired police officers for more than 100 years. Each year we treat almost 4,000 serving and retired police officers, aiding their return to better health and fitness.

After making provision for your family and friends, please consider leaving a gift to the Police Treatment Centres in your Will.

Whatever its size, your gift will help us to make a real difference to the lives of serving and retired officers.

*"I have received a lot of treatment following a bad accident. My road to recovery has been hard work, but my biggest reward has been my ability to run and play games with my children. My daughters have finally got their dad back and I can carry out my duties normally without constant pain."*
